

"Junior Football doesn't get any better than at Yarrambat"

Yarrambat Junior Football Club

ANNUAL REPORT

User

Season 2013

PRESIDENTS REPORT – SEASON 2013

2013 was my first year as President of the Yarrambat Junior Football Club and I firmly believe that 2013 was a very successful year both on and off the field. The YJFC's vision is "to be one of the most successful Junior Australian Rules Club in the Northern District. Demonstrating excellence in the caring, growth and development of the youth in our community by;

- Having total focus of "The family Club".
- Supporting our local community via our facilities.
- Increasing the profile of the Club in both the local and business community.
- Incorporate our core values of Integrity, Quality, Professionalism, Trust and Teamwork in everything we do.

In 2013 the YJFC provided a social and learning environment for 250 players and around 100 AusKickers.

I believe that the strength of our Club and the foundation for a bright future is the quality and dedication of our volunteers whether they be Committee members, Coaches, Assistant Coaches Team managers or game day helpers. Without you there wouldn't be a Yarrambat Junior Football Club.

Equally we had the wonderful support of a number of Companies that provided both financial and material support to this group of 350 children. I ask parents that they look at these Companies listed on pages 4 and 5 and where possible support them through the purchase of their products and services.

Achievements

Our on field successes were four teams making the Grand Final with three being victorious. We also had Mark Pavlovski take out the NFL Under 15 Best & Fairest award with Kyrellos Rizkalla finishing in the top 10 of the NFL Under 13 Best & Fairest. Well done to both boys. I also refer you to the full list of 2013 player achievements on page 21.

Our off field achievements for 2013 were;

- a) The installation of the electronic scoreboard which raised the professional image and effectiveness of the Club.
- b) The commencement of the War Memorial project which will provide an insight of our history not only to our players and members but also to the broader Yarrambat community.

Our Future

While the dust has barely settled on the 2013 season, we have elected our new Committee made up of both old and new faces and are moving into 2014 with a view to continue our development so as to be able to continue to provide a positive environment for our children's development.

Our focus in 2014 will be on;

- a) Re-establishing an Under 17 team with a view to an Under 19 team in the future.
- b) Having a Girls team, and
- c) Extending our Club rooms to help this team expansion.

Craig Walker
President YJFC.

TREASURERS REPORT

YARRAMBAT JUNIOR FOOTBALL CLUB PROFIT & LOSS [CASH] STATEMENT October 2012 TO September 2013

I am pleased to present the 2012/13 Profit & Loss Statement for the Yarrambat Junior Football Club.

Throughout the year Club facilities and equipment were improved, early registered players were provided with free tracksuit pants and we were able to attain a small profit. This was all achieved with no increase to our registration fee.

Whilst overall our combined sponsorship, registration fees and merchandise sales remained steady, our canteen revenue, grants and donations were down resulting in reduced revenue to the Club.

On the expenses side, the club re-stocked football kits, bought new stretchers and purchased a significant amount of club merchandise, resulting in increased expenditure.

To be able to achieve a small profit whilst undertaking this level of expenditure is a credit to the hard work of the Committee, the Club's numerous volunteers and the support from all our YJFC families through attendance at Club functions. To this end, once again the successful Sharkwiz Trivia night was a major fundraiser (approx. \$13,500). Thanks go to all our members.

Of course the great support we receive from our Club Sponsors (in excess of \$20k) very much helps us provide and maintain such a great club for our kids. We thank you very much and look forward to your continued support.

Cheers,
Kylie Walker

UNDER 9 Brown

Coach: Dan Stones

Team Manager: Matt Patmore

Season 2013 will go down as a great year for our Under 9 Brown team, which was largely made up of “top age” players who had come through as “bottom agers” the year before.

Looking back, one of the best things I took out of the year was the way our players looked out for each other on the field and the team spirit which developed over the course of the year. This was perhaps best displayed on a cold wet morning at Whittlesea, when after being outplayed in the first half, our team stormed back in the second half, showing great skill and determination. The atmosphere and feeling in the rooms afterwards epitomised what playing footy and having fun with your mates is all about.

This year our team played to a few very basic rules; (positions and space, tackle and chase, share and care) and I am very proud to say that the players took each one to heart and worked very hard to understand what they meant and improve on them throughout the course of the season. It is my hope that after having them drilled in every week, they remember them for the seasons ahead...especially our last one - “HAVE FUN!”

Speaking of having fun, another highlight for the season was a great night out at the circus, where both under 9 teams were lucky enough to be special guests of the Latino Circus in Richmond. It was great to see the boys and girls all turn up wearing their Bats jumpers and happily singing the club song on the bus. Everyone who was there thoroughly enjoyed the night, perhaps with the exception of the bus driver!

It goes without saying that such a successful year doesn't just happen by chance and I would like to thank the club, committee and all volunteers for their support of our youngsters as they start their footballing journey.

It would also be remiss not to thank our support staff for the year. Matt Patmore, our team manager was truly outstanding. Always organised, in control and helpful, Matt worked tirelessly throughout the season and as coaches, players and parents we were all very grateful for the massive effort he put in. Paul Athinis, our assistant coach, was another big reason why our year turned out so well. Paul's passion for football and willingness to fill in to support the team wherever required was appreciated by all the players and his encouraging words to the team on the bench were always welcome. As a coach, I couldn't have done any of it without you guys - so thanks again!

To the parents, your support of the club, our team and the players themselves was exemplary throughout the course of the entire season and made my as job as coach a joy. On behalf of Matt, Paul and myself, thankyou.

Lastly, I would like to also to say thanks to the players. You made a great team this year and I wish you all the very best for next season and beyond as you continue to develop not only as footballers but valuable contributors to our club and community.

GO BATS!

Daniel Stones

UNDER 9 Gold

Coach: Greg Bullen

Assist. Coach: Nathan Key

Team Manager: Paul Andrews

When I was told that the Yarrambat gold team may not be able to take the field due to a lack of coaching staff, I accepted Craig Walker's suggestion to become coach with a bit of hesitation. Having not coached before, I was unsure what to expect and was not aware of how much pleasure I would get out of coaching such a great team of players.

The first thing I said to the team was to have fun and enjoy the game. Our team of 22 first year players tried their best every week and no matter the outcome, they enjoyed the experience of playing together and learning new skills. Our team came together quite well and played some great football after getting used to playing outside of Auskick. Every single player improved so much during the course of the season, with many parents commenting on how well our side had developed. They all tried their hardest and made me very proud to be their coach every week.

My job was made much easier thanks to the outstanding help from all the parents, and especially our assistant coach Nathan Key and team manager Paul Andrews. Thanks to Paul's great organising, our team and volunteers were always ready each week to take on our opposition. His emailing kept everyone up to date on what was happening as well as enlightening us all with a little humour. Nathans great advice at training and on match day helped the team improve their skills, and his reading of the team and rotations ensured every member of our team knew where to go. Thank you to all the families who were a great support to me throughout the season, to the match day helpers and to Matt Rossin for the oranges every week.

Lastly, congratulations to our award winners Brooke Plummer, Trent Peebles and Jett Langley.

UNDER 11

Coach: Justin Hall

Team Manager: Nadia Hollins

What an amazing season 2013 was for the Yarrambat Under 11's.

We started the season off slowly, and it took a while for a lot of the boys to get used to playing in different positions on the ground, positions that were quite foreign to them.

My coaching belief is that every boy on our list of 28 is given the correct teaching, individual time and opportunity to improve their football skills to a level where they are contributing every week to the team goals, whether they are the no.1 player or the no.28 player, one is no good without the other during a game, especially when it comes to playing in finals.

We got to the half way mark of the season, and we lost to the bottom side on a miserable winters day, then after that game, I had a good talk to the boys in regards to what we wanted to achieve for the season, and I questioned how serious they all really were about their football. Knowing the character the boys had, they responded and we did not lose another game for the rest of the home and away season. During this time I continued to rotate every player, at every quarter, no player playing in the same position in a row during a game, and no boy playing less than 3 quarters a game. At the end of the home and away season we finished 2nd on the ladder, and played the top side Mernda, (who had only lost one game for the year against Yarrambat by 2 points) in the first final. We lost the first final to Mernda who out played us in the 2nd half of the game, and beat us quite convincingly, but we earned the right for a 2nd chance and we beat Hurstbridge in our 2nd Final the following week by 5 goals. This win set us up to play Mernda, again, in the Grand Final.

The challenge was there before us, and again I threw the challenge at the boys on Grand Final day, to believe in each other, and to give their all for each other for 4 quarters. I knew if we played hard attacking football and just put constant pressure on Mernda for 4 quarters, we would come out on top, and again the character those boys showed on Grand Final day was amazing, they responded and we defeated Mernda by 49 points. Mernda did not kick a goal for the whole game. It was just an amazing effort by the boys, and a very special day for everyone involved.

It was a season everyone involved with the U11's will cherish, and I want to personally thank the club for the opportunity and the privilege of coaching a fantastic group of boys.

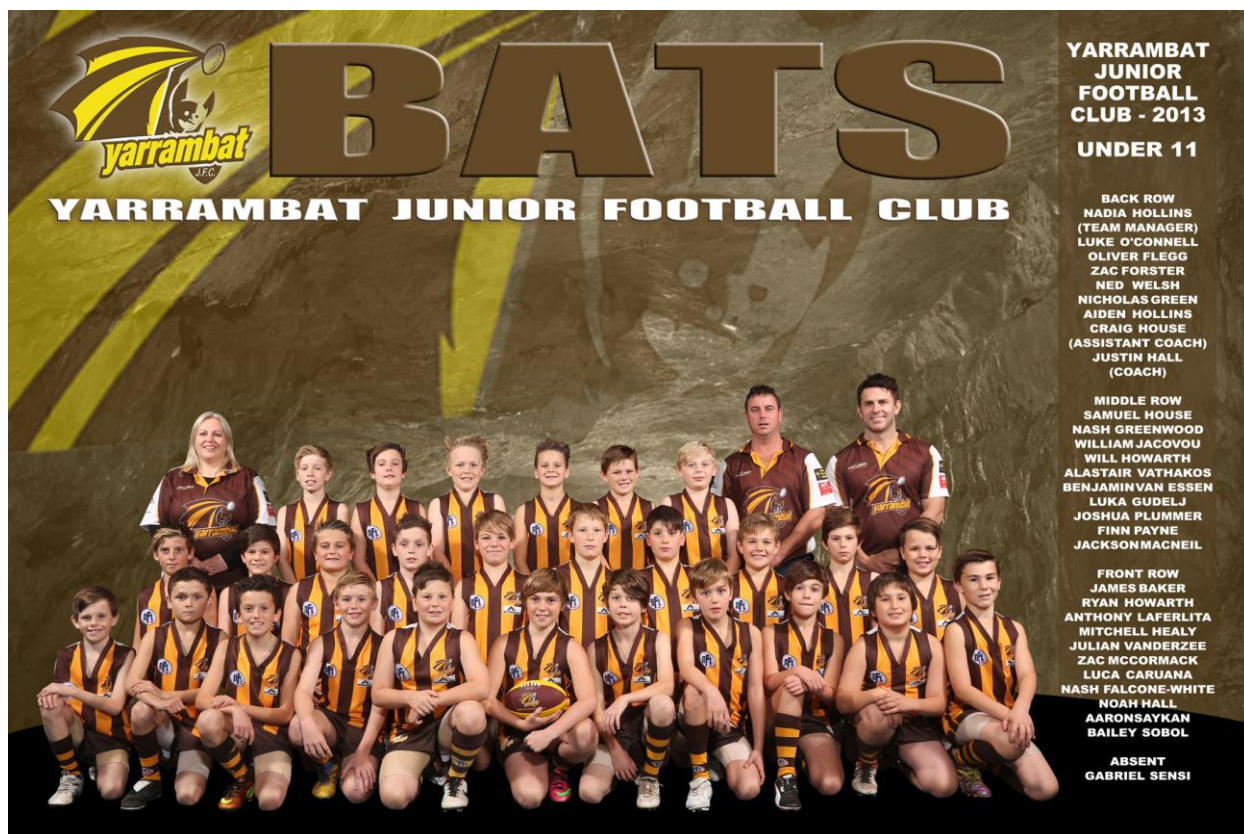

Also, I want to send a special thanks to all the Mums and Dads who helped out during the year, your efforts and participation does not go un noticed. Thank You.

Yarrambat Under 11's PREMIERS IN 2013...Go Bats!!

Coach: Mick McMaster

Team Manager: Sharon Parker

Another season has gone by and our boys have improved on last season. Half way through the season we were playing some ordinary footy but to the boys credit they played some great footy towards the end of the season, which helped them to make finals. To make the finals was great for the boy's confidence. In the finals the whole team really stood up, so hopefully, the boys now know what they have to do to win games and help each other out. The season highlight was definitely beating Epping in the semi-final, as they had won both matches during the season.

To all the boys who won awards congratulations, it was great to see different boys win this year. It shows if you have a go anyone can win.

To all the parents thank you for your support it's been fantastic.

To Dammo, Sharon and Anthony, thank you so much for all your help and friendship, it makes me want to come back each season.

THANK YOU BOYS.

Mick McMaster
